MESSAGE

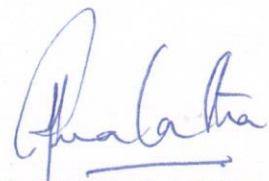

It is an honor to announce our very first M.Sc. course in Sports Nutrition, at NIN, supported by MYAS/GOI in affiliation with Osmania University.

Being India's Premier Nutrition Research Institute, working under the aegis of Indian Council of Medical Research (ICMR), Ministry of Health and Family Welfare, Government of India, it is our endeavor to contribute towards human resource development in this important area of fitness and Sports nutrition.

Education at NIN is geared towards developing personnel with scientific temper and application oriented knowledge and skills, who can support athletes and bring out their maximal potential.

The programme is scientifically planned to give valuable insights in the field of sports biochemistry, physiology, anatomy, food science, nutrition for high-performance athletes, fine tuning all aspects of varied sports to develop sport-specific performance enhancement skills.

We hope the students will have a valuable, involving, rich and meaningful learning experience, during your course!

(R. HEMALATHA)

**MYAS – NIN DEPARTMENT OF SPORTS SCIENCE
ICMR – NATIONAL INSTITUTE OF NUTRITION**

Vision

To create scientifically trained human resources in the area of sports science to support Indian athletes for performance enhancement and achieve their full potential on par with the International Standards.

Mission

To equip post-graduate students with knowledge and skills in the multi-disciplinary area of Sports Science, to support Indian athletes for international competitions.

M.Sc. (Sports Nutrition): The Beginning

Research in the area of sports nutrition was initiated in 1983 under the Energy Metabolism Division, which was subsequently developed as the Department of Work Physiology and Sports Nutrition at ICMR-National Institute of Nutrition (NIN).

After three decades of research, consultancy and extension in the specialized area of Sports Nutrition, viewing the importance of sports science for performance the department started the two-year M.Sc. (Sports Nutrition) course supported by the Indian Institute of Sports Science & Research (IISRR), Ministry of Youth Affairs & Sports (MYAS), GOI and established MYAS - NIN, Department of Sports Science. This course was launched under MoU with the Osmania University, Hyderabad, and is the first, ever, course of its kind.

About the Programme

The M.Sc. Sports Nutrition programme of NIN will be conducted under MoU with the Osmania University, Hyderabad. The program will follow Semester System and Choice Based Credit System as per the guidelines issued by UGC. The curriculum has been planned in consultation with MYAS, International and National experts in the area of sports nutrition and is transacted with an application-oriented approach.

Objectives of the M.Sc. (Sports Nutrition) Programme

- To develop in-depth knowledge and practical skill sets to ensure planning and implementation of sport specific nutritional support to Indian athletes/ sports persons.
- To develop a team approach, display adequate team building, and soft skills, to ensure implementation and monitoring of sport-specific nutritional support.
- To develop research, scholarly skills and paper publication/presentation skills or specific skills needed for entrepreneurship or gain job experience to improve employability.

- To develop day-to-day support requirements of athletes, critical analysis of situations and problem solving within a team, with specific reference to providing support to elite athletes during training and during international and national events.

Career options

After the completion of this course, candidates will be suitable to take up careers in the following areas:

1. Sports Nutritionist as part of high performance team to support elite athletes.
2. Sports Nutritionist in Government (Central and State)/Private owned sports academies/agencies/ federations.
3. Sports nutrition educators/ counselors/diet planners/ advisors/ extension workers.
4. Sports Nutrition teachers/professors/researchers.
5. Sports Nutrition product/supplement developers.
6. Fitness and gymnasium entrepreneurs.

Eligibility

Candidates seeking admission into the two year M.Sc. (Sports Nutrition) course must have passed B.Sc. in Home Science (with specialization in Food & Nutrition) / Nutrition / Food & Nutrition / Applied Nutrition & Public Health / Clinical Nutrition & Dietetics / Food Science & Quality Control or B.Sc. in Life Sciences (Botany / Zoology / Biochemistry / Genetics / Microbiology) or MBBS or BAMS. In addition, the candidate should possess a minimum of 55% aggregate marks in the qualifying examination and SC/ST candidates should possess a minimum of 50% aggregate marks in the qualifying examination. **Considering the prevailing COVID-19 Lockdown, candidates who are appearing for the final exams are also eligible to apply, however, they should submit the relevant certificates of the qualifying exams at the time of counselling.**

Note: If a candidate is found to have concealed any information regarding the eligibility criteria, the registration will be cancelled. Further, disciplinary action will be taken by the concerned authorities against the candidate.

40% - 44%	P (Pass)	4
	F (Fail)	0
	Ab (Absent)	0

Note: As per the UGC guidelines.

Computation of SGPA and CGPA

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by the student in all the courses taken by the student and the sum of the number of credits of all the courses earned by the student.

Calculation of SGPA

$$SGPA(S_i) = \frac{\sum C_i * G_i}{\sum C_i}$$

Where C_i is the number of credits of the i^{th} course and G_i is the grade point scored by the student in the i^{th} course.

Calculation of CGPA

The CGPA is also calculated in the same manner taking into account all the courses cleared by the student over all the semesters of a programme

$$CGPA = \frac{\sum C_i * S_i}{\sum C_i}$$

Where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester

The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts

Award of Degree

A student shall be awarded the degree on the following conditions:

- (i) He/she must have registered himself/ herself to undergo the chosen course of study; completed the internship and project report specified in the curriculum of his/ her program within the stipulated time, and secured the minimum credits and CGPA prescribed for award of the concerned degree.
- (ii) There are no dues outstanding in the student's name to be paid to the Institute/ University.
- (iii) No disciplinary action should be pending against the student.

- (iv) The student should have earned minimum credits (i.e. total credits offered in the program - number of credits, not exceeding 6 credits).

The above degree will be awarded with distinction, if a student has earned a minimum CGPA of 7.50 with pass in all subjects in the first attempt.

The maximum permissible period for completing the program is 4 years from the date of registration. However, if a student fails to do so, he/she may be permitted to register again to that program after obtaining the requisite approval from the concerned authorities of NIN and OU.

Provision for Reappearing

Reappearing in examination related to all courses viz. theory/practical/viva shall be permitted. The reexaminations will be scheduled along with the end semester examinations.

Attendance

Candidates once admitted are required to put in not less than 75% of attendance in lectures (and practical wherever applicable). The Vice-chancellor, on the specific recommendation of the Principal/Head of the Department, may condone the deficiency in attendance to the extent of 10% on medical grounds, subject to production of satisfactory Medical Certificate and on payment of the prescribed condonation fee. No admission shall be made after the expiry of four (4) weeks from the date of commencement of instruction.
